

73-18a-9 Public educational program.

The division may undertake and enlist the support and cooperation of all agencies, political subdivisions, and organizations to conduct a public educational program designed to inform the public of the undesirability of depositing trash, litter, and other objectionable materials in the waters of this state and the penalties provided by this chapter for such action. The division may use funds provided by the Legislature for this purpose. The division may utilize all means of communication in the conduct of this program.
